NON-EXECUTIVE DIRECTOR APPOINTMENT

Diatreme Resources Limited (DRX) is pleased to announce that Mr Yufeng (Daniel) Zhuang has joined the Company's Board today as a Non Executive Director.

Daniel, who speaks English, was nominated to the Board by the association of Chinese shareholders Messrs Z Zhuang, C Zhuang and Q Lin, to represent their significant investment and ongoing corporate commitments toward the Company.

Daniel holds a Bachelor of Arts in Economics (Investment Management) from the Central University of Finance and Economics (CUFE), Beijing China and is currently completing a Master of Science (Project Management) through Stevens Institute of Technology in New Jersey, USA. He has worked for Ping An Securities in Beijing and Fujian Minxing Group in Zhangzhou, China.

With the enhancement of DRX's Chinese/Western culture relationships through the continuing mineral resource demands from China, Daniel's contribution will further advance the skill base of the Board as the Company seeks to develop its Cyclone Zircon Project in Western Australia along with its Metalliferous exploration projects.
