## New Non-Executive Director Appointed

- **Experienced mining engineer, Mr Michael Chapman, to be appointed as a Non-Executive Director**
- **New director complements Board's skill sets, with more than 40 years' experience in the development, engineering, construction and management of open-cut and underground mining projects in Australia and internationally.**

Diatreme Resources Ltd (ASX: DRX) (**Diatreme** or the **Company**), is pleased to announce the appointment of Mr Mike Chapman as a Non-Executive Director. Procedurally, this is to be effective from 1 August 2020, immediately following the upcoming annual general meeting scheduled at 2:00pm on 30 July 2020.

Mr Chapman is an experienced mining engineer with more than 40 years' experience in the development, engineering, construction and management of open-cut and underground mining projects in Australia and internationally.

Mr Chapman recently served as the Chief Operating Officer of White Energy Company (ASX: WEC), following a similar role at Felix Resources, with previous employment at a range of operations across Australia and Indonesia and in commodities spanning coal, iron ore, copper and nickel.

Welcoming Mr Chapman's appointment, Diatreme's Chairman, Mr Greg Starr said: *"Mike will make a valuable contribution to the Board, with his practical mining and mine management knowledge complementing the Board's existing mix of skills and experience."*
