

ASX ANNOUNCEMENT

15 October 2020

Share Purchase Plan – Shareholder Offer

Dear Shareholder

On behalf of the Board of Diatreme Resources Limited (ASX:DRX), I am pleased to offer you the opportunity to participate in a Share Purchase Plan (SPP) to help fund the advancement of our key value-adding Projects particularly the Galalar Silica Project in North Queensland.

Eligible shareholders can subscribe for up to A\$30,000 of new fully paid ordinary shares in Diatreme without incurring brokerage and subject to the Terms and Conditions detailed in this booklet (SPP Offer).

As announced on 9 October 2020, Diatreme conducted a placement of shares to sophisticated and professional investors, raising approximately A\$4.64 million (Placement). The Placement was strongly supported by a range of existing and new sophisticated and institutional investors who see the commercial opportunity in Diatreme and its Projects for delivering shareholder value.

The SPP gives you the opportunity to increase your Diatreme shareholding at the same price as the recent Placement, being A\$0.010 (1 cent) per Share. The issue price of \$0.010 per share equates to (a) a 15% discount to the last closing price of the Company's shares of \$0.012 per share on 6 October 2020, and (b) also a 15% discount to the 15 day VWAP of the Company's shares of \$0.012 per share prior to 6 October 2020 (inclusive), being the last trading day before the announcement of the Placement and SPP.

Diatreme is pleased to be able to offer all shareholders the opportunity to participate in this capital raising on equal terms and the Board commends this offer to you.

Offer Highlights

- The SPP will provide further funding for the **Galalar Silica Project**, which is now advancing through a permitting and approvals process towards development in an environment of growing demand for premium-quality silica for use in manufacture of photovoltaic (solar) panels and other high-tech industries and applications.
- Environmental Impact Statement (EIS) process is well underway following the first public comment period on the draft terms of reference for the relevant studies and follows also the lodgement of our Mining Lease Application in December 2019
- Total Mineral Resource has increased by 25% to an estimated 47.5 million tonnes (Mt) > 99% SiO₂, including a maiden Measured Mineral Resource comprising 30.9 Mt > 99.28% SiO₂.
- Results from our recent August 2020 drilling program shows potential for further resource expansion

Use of Funds

Your Company is determined to protect shareholder value and as such the funds raised from the SPP will be applied to the advancement of our key Galalar Silica project, as well as working capital.

- (b) The minimum application amount under the SPP is \$2,500.
- (c) The amount an Eligible Shareholder can apply for will be restricted to a cumulative total of \$30,000.
- (d) The SPP is conducted under ASIC Class Order CO09/425. The instrument grants relief from the requirement to prepare a prospectus for the offer of New Shares under the SPP.
- (e) You are not obliged to accept or otherwise participate in the SPP. Participation is optional.
- (f) The SPP is made to each Eligible Shareholder on the same terms and conditions.
- (g) The offer under the SPP is non-renounceable, which means that you may not transfer your right to apply for New Shares under the SPP to any other person.

2. **Closing Date**

The SPP is scheduled to close at 5:00pm (Sydney time) on 5 November 2020.

Diatreme reserves the right to change the closing date of the SPP.

No late applications will be accepted.

3. **Eligible Shareholders**

- (a) You are eligible to participate in the SPP (**Eligible Shareholder**) if you were a registered holder of fully paid ordinary shares in Diatreme (**Shares**) at 7:00pm (Sydney time) on 8 October 2020 (**Record Date**) whose address in the security register of Diatreme is in Australia or New Zealand, unless:
 - (i) you hold Shares on behalf of another person who resides outside Australia or New Zealand and do not hold Shares in any other capacity;
 - (ii) you are resident in the United States or acting for the account or benefit of a person resident in the United States; or
 - (iii) you are ineligible to participate in the SPP because of the aggregate limit explained in clause 7.
- (b) This SPP does not constitute an offer in any jurisdiction in which or to any person to whom it would be unlawful to make such an offer. Diatreme reserves the right to reject any acceptance which it believes comes from a person who is not an Eligible Shareholder.
- (c) (**Single Holders**) If you are the only registered holder of Shares, but you receive more than one offer under the SPP (for example, due to multiple registered holdings), you may only apply for New Shares up to a maximum aggregate value of \$30,000.
- (d) (**Joint Holders**) If you are recorded with one or more other persons as the joint holder of Shares, that joint holding is considered to be a single registered holding for the purposes of the SPP. Subject to the conditions of eligibility as set out in this clause 3, the joint holders are entitled to participate in the SPP in respect of that single holding only. The certification under clause 9 by one of the joint holders will be effective in respect of the other joint holder(s). - (h) **(Trustees and Nominees)** If you hold Shares as a trustee or nominee for another person, but are not a Custodian as defined above, you cannot participate as a Beneficiary in the manner described above. In this case, the rules for multiple single holders (as above) will apply.
- (i) Nominees and other registered holders of Shares that are acting on behalf of a person in the United States or any other country outside Australia and New Zealand, must not:
 - (i) send this document or any other document relating to the SPP to any person in the United States or any other country outside Australia and New Zealand; or

5. Issue Price of New Shares under the SPP

- (a) The price per New Share on offer under the SPP **(Issue Price)** will be \$0.010 (1.0 cents).
- (b) The current Share price can be obtained from the ASX website (www.asx.com.au) (ASX code: DRX) and is listed in the financial and business section of major daily newspapers circulated in Australia.

- (d) You agree to pay the Issue Price for each New Share calculated under clauses 5(a) and 7(b).
- (e) You acknowledge that the market price of Shares may rise or fall between the date of this SPP, the date of calculation of the Issue Price and the date that New Shares are allotted to you under the SPP **(Issue Date)** and that the effect of this is that the Issue Price you pay for the New Shares may exceed the market price of New Shares on the Issue Date.

6. Scale back

- (a) Diatreme does not intend to issue more than 556,635,404 New Shares under the SPP.

- (b) If you apply for New Shares, you will apply for a specified value, rather than a specified number of New Shares. Subject to clause 7(c), Diatreme will divide the parcel value that you select by the Issue Price in order to determine the number of New Shares for which you have applied (rounded down to the nearest whole number of New Shares). Any balance of monies sent by you that is remaining as a result of rounding will be refunded to you except where the amount is less than \$2.00 (or an amount advised by Diatreme).
- (c) Eligible Shareholders who receive more than one offer under the SPP (for example because they hold Shares in more than one capacity) may apply on different Application Forms for New Shares, but may not apply for New Shares with an aggregate value of more than \$30,000.
- (d) Diatreme may accept or reject your application for New Shares, either in whole or in part, at its absolute discretion. For example, Diatreme may reject your application in circumstances such as the following (among others):
 - (i) it appears that you are applying to purchase a number of New Shares that will mean that your Aggregate SPP Participation will exceed \$30,000;
 - (ii) your Application Form is incorrectly completed, incomplete or otherwise determined by Diatreme to be invalid;
 - (iii) your cheque is dishonoured or the cheque or money order that you enclose with your Application Form is not made out for the amount corresponding to the value of the parcel of New Shares for which you have applied;
 - (iv) your Application Form is received after the Closing Date; or
 - (v) Diatreme believes you are not an Eligible Shareholder (subject to compliance with any applicable ASIC or ASX requirements).

Late or otherwise incomplete or invalid payments will be refunded to you.

- (e) You should be aware that your own financial institution may implement earlier cut off times with regards to electronic payment, and you should therefore take this into consideration when making payment.
- (f) The lodgement of the Application Form with the application monies, or the remittance of funds via BPAY[®] will constitute the Eligible Shareholder's offer to subscribe for shares on the terms and conditions of this SPP. Once an application has been made, it cannot be revoked. No notice of acceptance of the application will be provided.

8. Shortfall

The offer under the SPP is not underwritten. To the extent that there is a shortfall in the subscription for New Shares under the SPP (**Shortfall**), the Directors reserve the right to place any New Shares under the Shortfall at their absolute discretion at a price no less than the price of New Shares offered under the SPP, to the extent that any such placement of New Shares under the Shortfall can be made having regard to Listing Rule 7.1.
