#### NOOSA BOUND

MINING execs will be making a beeline for not one but two Noosa Mining Conferences this year.

Convenor **Phil**

**Dickinson** is already signing up some big name speakers for the first conference to be held at Peppers Noosa from July 20-22. That will be followed by a second conference at the same venue from November 9-11.

Last year **Nick Jorss** of Bowen Coking Coal, **Neil McIntyre** from Diatrema Resources, Lake Resources boss **Steve Promnitz** and Metallica Minerals chairman **Theo Psaros** were among the guest speakers. The now infamous drinks session on the second day of the conference, sponsored by richlister **Steve Bizzell's** Bizzell Capital Partners, has become the place to seal some big deals.
